## About Me

I'm a 19-year-old student actively pursuing a career in cybersecurity. I have a strong interest in ethical hacking, threat analysis, and digital security. I learn best through hands-on experience—exploring security concepts, analyzing real-world threats, and documenting my findings. I'm passionate about growing in this field and committed to staying current with the latest trends and technologies.

## Skills

- Linux
- Github
- Digital Marketing
- Creative Making
- Critical Thinking
- Solidatory

## Education

### Secondary School

*Sri Chaitanya Techno School*
